PRESIDENTIAL CANDIDATE COMPARISON // NOV 3, 2020

In keeping with its mission, the South Carolina Catholic Conference aims to educate and inform Catholics about a wide range of issues. The information compiled here has been gathered from policies, public statements, official and campaign websites, and other resources, as of September 1, 2020, to help voters form their consciences before voting in November. The issues that appear here do not represent a complete list of issues that may be of importance to Catholics. The SCCC neither supports nor opposes any candidate for public office.

"The right to life implies and is linked to other human rights - to the basic goods that every human person needs to live and thrive. All the life issues are connected, for erosion of respect for the life of any individual or group in society necessarily diminishes respect for all life. The moral imperative to respond to the needs of our neighbors - basic needs such as food, shelter, health care, education, and meaningful work - is universally binding on our consciences and may be legitimately fulfilled by a variety of means. Catholics must seek the best ways to respond to these needs.... Above all, the common outcry, which is justly made on behalf of human rights - for example, the right to health, to home, to work, to family, to culture - is false and illusory if *the right to life*, the most basic and fundamental right and the condition for all other personal rights, is not defended with maximum determination." *(Forming Consciences for Faithful Citizenship,* Nos. 25, 26, United States Conference Catholic Bishops, 2019*)*

President DONALD TRUMP	*Former Vice-President* JOE BIDEN
ABORTION	
In 2016, Trump said that the overturning of *Roe v. Wade* "will happen automatically…because I am putting pro-life justices on the [U.S. Supreme] Court." In 2017, Trump signed into law a resolution to allow states to restrict Title X funding for Planned Parenthood and other abortion providers.	According to his website, "As president, Biden will work to codify *Roe v. Wade*, and his Justice Department will do everything in its power to stop the rash of state laws that so blatantly violate the constitutional right to an abortion…" "As president, Biden will…reverse the Trump Administration's rule preventing Planned Parenthood and certain other family planning programs from obtaining Title X funds."
DEATH PENALTY	
In 2020, the Trump Administration presided over five executions (three in July and two in August), the first to be carried out by the federal government in 17 years. Two additional executions are scheduled in September 2020.	According to his website, "Biden will work to pass legislation to eliminate the death penalty at the federal level, and incentivize states to follow the federal government's example. These individuals should instead serve life sentences without probation or parole."
EDUCATIONAL CHOICE	
In Februay 2020, Trump said, "Yet, for too long, countless American children have been trapped in failing government schools. To rescue these students, 18 states have created school choice in the form of Opportunity Scholarships... no parent should be forced to send their child to a failing government school."	In January 2020, Biden tweeted, "When we divert public funds to private schools, we undermine the entire public education system. We've got to prioritize investing in our public schools, so every kid in America gets a fair shot. That's why I oppose vouchers."
ENVIRONMENT	
Trump has begun the process of withdrawing the U.S. from the Paris Agreement on climate change, an international agreement to reduce global greenhouse gas emissions.	According to his website, a Biden administration will re-enter the Paris Agreement on day one.
ETHICS IN RESEARCH	
In 2019, the Trump Administration announced its decision to discontinue research conducted within the National Institutes of Health "involving the use of human fetal tissue from elective abortion".	While serving in the U.S. Senate: In 2007, Biden voted in favor of the Stem Cell Research Enhancement Act of 2007 (S.5), which provides for human embryonic stem cell research. In 1998, Biden voted against the Human Cloning Prohibition Act (S.1601).
GENDER ISSUES	
In 2019, the White House confirmed Trump's opposition to the Equality Act, which would add the new terms "sexual orientation" and "gender identity" to the definition of "sex" in federal civil rights laws, and would exempt itself from the Religious Freedom Restoration Act of 1993: "The Trump Administration absolutely opposes discrimination of any kind and supports the equal treatment of all. However, this bill in its current form is filled with poison pills that threaten to undermine parental and conscience rights."	According to his website, Biden believes the Equality Act is the "best vehicle for ensuring equal rights under the law for LGBTQ+ Americans, and will guarantee that LGBTQ+ individuals are protected under existing civil rights laws." Biden lists enacting the Equality Act as a top legislative priority.

October 3/4, 2020

Dear Brothers and Sisters:

Respect Life Sunday this year coincides with the Feast of Saint Francis of Assisi. He is a fitting patron for us in regard to his respect for all of God's creation of which the culmination is the human person made in His image and likeness. *Respect Life Sunday* also falls during the year of the 25th anniversary of the encyclical of Saint John Paul II, *Evangelium Vitae, The Gospel of Life*. He gave us this great gift on the Solemnity of the Annunciation, March 25, 1995. Indeed, through Mary's yes to God's will, the Son of God became incarnate in her womb at the moment of conception.

Saint Pope John Paul II's encyclical begins with the words, "The Gospel of life is at the heart of Jesus' message." To our society today, faced with a great deal of threats to life and misunderstandings of its dignity, it is necessary to proclaim the sanctity of life from the moment of conception until natural death. So many of the world's critical problems would be put in proper perspective with a fundamental respect for the gift of life at every stage.

The need to promote the dignity of all life is imperative but, at this particular political time, even more so for that of an unborn child. Horrific abortion legislation within various states has gone far beyond Roe v. Wade, while tax dollars continue to be proposed to fund abortions.

In his apostolic exhortation, *Gaudete et Exsultate*, Pope Francis clearly stated that, "Our defense of the innocent unborn needs to be clear, firm and passionate for at stake is the dignity of the human life, which is always sacred and demands love for each person, regardless of his or her stage of development." On one occasion the Pope expressed, "Last century, the whole world was scandalized by what the Nazis did to purify the race. Today, we do the same thing but with white gloves!" As the United States Bishops have stated so clearly in *Forming Consciences for Faithful Citizenship*, "The common outcry, which is justly made on behalf of human rights – for example, the right to health, to home, to work, to family, to culture – is false and illusory if the right to life, the most basic and fundamental right, and the condition for all other personal rights, is not defended with maximum determination."

I wish to express my deep gratitude to the faithful of our Diocese for their staunch and loyal support in fostering respect for life at every stage. The present election time is a critical one and needs our prayers, attention and action in a special way, particularly in fostering protection of the unborn.

With every prayerful wish, I am

Sincerely yours in Christ,

+Gerald M. Barbarito

Oración para Antes de Elecciones

Señor Dios,
a medida que se acercan las elecciones, buscamos entender mejor los temas y preocupaciones que afronta nuestra ciudad/nuestro estado/ nuestro país, y cómo el Evangelio nos apremia a responder a estos retos como ciudadanos fieles de nuestra comunidad.

Te pedimos que nuestros ojos no sufran de ceguera para que así podamos ver a los demás como hermanos y hermanas nuestros, quienes gozan de una dignidad que nos une y nos hace iguales. De manera especial te pedimos que reconozcamos como hermanos y hermanas a quienes son víctimas de abusos y de la violencia, de los engaños y de la pobreza.

Te pedimos que nuestros oídos escuchen el llanto de los niños aún no nacidos y de quienes han sido abandonados, que escuchemos el llanto de los hombres y mujeres que son oprimidos a causa de su raza o credo, religión o género.

Te pedimos para que nuestra mente y nuestro corazón estén abiertos a escuchar la voz de los líderes que nos acercan cada vez más a tu Reino.

Te pedimos por el don del discernimiento para que elijamos líderes que escuchan tu Palabra, viven en tu amor y caminan por la senda de tu verdad, a medida que siguen el camino de Jesús y sus Apóstoles y nos guían hacia tu Reino de paz y justicia. Te lo pedimos por tu Hijo Jesucristo, a través del poder del Espíritu Santo,
Amén.

Octubre 3/4, 2020

Queridos Hermanos:

El Domingo de Respetemos la Vida este año coincide con la Fiesta de San Francisco de Asís. Él es un patrón apropiado para nosotros por su respeto por toda la creación de Dios, cuya culminación es la persona humana creada a Su imagen y semejanza. *El Domingo de Respetemos la Vida* también cae durante el 25 aniversario de la encíclica de San Juan Pablo II, *Evangelium Vitae, El Evangelio de la Vida.* Nos hizo este gran regalo en la Solemnidad de la Anunciación, el 25 de marzo de 1995. De hecho, mediante el «sí» de María a la voluntad de Dios, el Hijo de Dios se encarnó en su seno en el momento de la concepción.

La encíclica de San Juan Pablo II comienza con las palabras, "El Evangelio de la vida está en el centro del mensaje de Jesús". Actualmente nuestra sociedad enfrenta una gran cantidad de amenazas a la vida y los malentendidos de su dignidad, es necesario proclamar la santidad de la vida desde el momento de la concepción hasta la muerte natural. Muchos de los problemas críticos del mundo se pondrían en la perspectiva adecuada con un respeto fundamental por el don de la vida en cada etapa.

La necesidad de promover la dignidad de toda vida es imperativa, pero, en este momento político en particular, lo es aún más para la de un niño por nacer. La horrible legislación sobre el aborto en varios Estados ha ido mucho más allá de Roe v. Wade, mientras que se siguen proponiendo más impuestos para financiar abortos.

En su exhortación apostólica, *Gaudete et Exsultate*, el Papa Francisco dijo claramente que, "La defensa del inocente que no ha nacido, por ejemplo, debe ser clara, firme y apasionada, porque allí está en juego la dignidad de la vida humana, siempre sagrada, y lo exige el amor a cada persona más allá de su desarrollo". En una ocasión el Papa expresó, "En el siglo pasado, el mundo entero se escandalizó por lo que los nazis hicieron para purificar la raza. ¡Hoy en día hacemos lo mismo, pero con guantes blancos!". Como los obispos de los Estados Unidos han declarado en *Formando la Conciencia para ser Ciudadanos Fieles,* "El clamor común, que se hace con justicia en nombre de los derechos humanos - por ejemplo, el derecho a la salud, al hogar, al trabajo, a la familia, a la cultura - es falso e ilusorio si el derecho a la vida, el derecho más básico y fundamental y la condición de todos los demás derechos personales, no se defiende con la máxima determinación".

Deseo expresar mi profunda gratitud a los fieles de nuestra Diócesis por su apoyo incondicional y leal para fomentar el respeto por la vida en cada etapa. El momento actual de las elecciones es crítico y necesita nuestras oraciones, atención y acción de una manera especial, particularmente para fomentar la protección de los que no han nacido.

Con cada deseo de oración, Yo soy

Sinceramente suyo en Cristo,

Reverendísimo Gerald M. Barbarito
Obispo de Palm Beach
