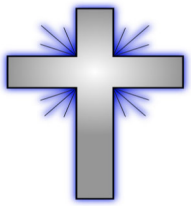
MISSION STATEMENT

FOLLOWING THE EXAMPLE OF OUR LADY AND HER YES TO GOD, WE, THE COMMUNITY OF OUR LADY QUEEN OF PEACE PARISH, COMMIT OURSELVES TO:



DEEPEN OUR KNOWLEDGE OF THE CATHOLIC FAITH
by promoting catechetical and biblical programs for children, youth and adults. Special attention to be given to sacramental preparation.

WELCOME THE MIGRANTS AND THE NEWCOMERS
by providing the possibilities of expressing the religious, cultural, diversity and social traditions of each ethnic group.

SHARE OUR GOD GIVEN GIFTS AND CARING RESPONSIBILITY
for those in need. Becoming aware and involved in social issues and initiatives.

A Message of Life

"Go, sell what you have, give it to the poor."

Mark 10:17-30

The needs of the poor come first. Jesus tells the rich young man who wants to follow him to go first to share his riches with the people. It seems that our social responsibility is more important than our love for Christ. Our personal moral standard does not prevent us from compassion. What are we doing for a fair distribution of wealth?

We may protest: *business is business*! "What do my economic affairs have to do with my religious convictions? Is not faith a personal decision"? This is certainly true for the majority of us, but not for Jesus. He does not want as his disciples people who are irresponsible for the common well being. Our faith does have something to do with our business. Faith and social justice grow and die together: Veritas in Caritate! Truth is proclaimed through love.

Our faith in God is rooted in our conviction that the whole of reality is God's creation. Our own existence on this earth is not a right but a gift. We are not entitled to a definite right to property. We are all administrators of world resources. I am wondering if we Christians can still feel at home in our "liberal society" that makes the right of property the absolute value of the social order.

Perhaps we can begin to understand the limitations of our market economy. The Noble Prize of Economics was awarded to the two American Scientists, W. Nordaus and P. Romer, who with their studies showed "a non-standard approach to the big questions of wealth." The limited resources of the planet, the degradation of the environment, the scandalous distribution of wealth, make us aware that the personal profit and capital gain cannot be the only approach to growth.

The Gospel is inviting us to use a different standard to measure our richness. Our possessions and wealth can be a sign of our greed and the cause of injustice and insecurity in our society. On the other hand, we Christians can use our possessions and wealth as a powerful means to build a world community. It is only in sharing that we can prove the authenticity of our love.

Oración para pedir protección contra las tormentas

Dios Padre nuestro, Creador del Universo y Señor de toda la creación, humildemente nos presentamos a ti, como hijos tuyos, en acción de gracias por tu amoroso cuidado y protección. Te pedimos que nos guardes de los huracanes que nos pueden amenazar en esta temporada. Protégenos de todo temor y de la ansiedad que nos causan las tormentas y danos confianza ardiente en Tu amor y misericordia. Solo Tú tienes el poder de mandar al mar, al viento y a la lluvia. Solo Tú traes paz, calma y seguridad. Padre, te agradecemos de antemano, pues Tú eres nuestro único refugio. Te lo pedimos por Cristo, tu Hijo, que vive y reina contigo y el Espíritu Santo, un Dios, por los siglos de los siglos. Amén. María, Reina de los Apóstoles y Patrona de nuestra Diócesis, ruega por nosotros.

La Coalición de los Alcaldes del Condado de West Palm Beach, aprobaron el proyecto de otorgar tarjetas de identificación a los que las necesiten. La propuesta fue promovida por PEACE; Dicha organización es apoyada por nuestra parroquia. El programa de tarjetas empezara en el mes de noviembre.

A Voz do Padre - *Uma mensagem da vida*

O dia 12 de octubro é um dia muito especial para todo o povo católico do Brasil, porque é um dia consagrado à Mãe de Deus e nossa, invocada com fé e amor com o título de Nossa Senhora Aparecida. Nestes mais de 300 anos do encontro da imagem, muitas são as graças concedidas por Deus aos filhos humildes de Maria: muitas graças, curas, reencontros, conversões. A liturgia do dia de hoje propõe um grande itinerário de fé e de vida nova, na qual o papel da Mãe do Salvador é de real importância.

Bendito seja Deus, que nos deu Maria por Mãe! Que a Senhora Aparecida continue a olhar pelo povo brasileiro, que sofre, chora, luta e carece de melhores condições de vida. Que saibamos valorizar as mulheres, mães, filhas, esposas, lutadoras, reconhecendo seu papel na sociedade e na Igreja, que também é mulher, mãe e mestra. Que ela aponte o caminho do vinho novo à nossa comunidade e a todos os que desejam se entregar de verdade ao projeto de Jesus! Viva a Senhora Aparecida! Viva Cristo!
