THE STATIONS OF THE CROSS

Thursdays after the 7:00pm Mass and Fridays after the 8:00am Mass

What is the Church's official position concerning penance and abstinence from meat during Lent?

In 1966 Pope Paul VI reorganized the Church's practice of public penance in his "Apostolic Constitution on Penance."

The 1983 revision of the Code of Canon Law incorporated the changes made by Pope Paul. Not long after that, the U.S. Bishops applied the canonical requirements to the practice of public penance in our country.

To sum up those requirements, Catholics between the ages of 18 and 59 are obliged to fast on Ash Wednesday and Good Friday. In addition, all Catholics 14 years old and older must abstain from meat on Ash Wednesday, Good Friday and all the Fridays of Lent.

Fasting as explained by the U.S. Bishops means partaking of only one full meal. Some food (not equaling another full meal) is permitted at breakfast and around midday or in the evening depending on when a person chooses to eat the main or full meal.

Abstinence forbids the use of meat, but not of eggs, milk products or condiments made of animal fat.

Exemptions from the Lenten Fast

Besides those outside the age limits, those of unsound mind, the sick, the frail, pregnant or nursing women according to need for meat or nourishment, manual laborers according to need, guests at a meal who cannot excuse themselves without giving great offense or causing enmity and other situations of moral or physical impossibility to observe the penitential discipline.

MARCH IS THE MONTH WE HONOR ST. JOSEPH

Glorious St. Joseph, pattern of all who are devoted to toil, obtain for me the grace to toil in the spirit of penance, in order thereby to atone for my many sins; to toil conscientiously, putting devotion to duty before my own inclinations; to labor with thankfulness and joy, deeming it an honor to employ and to develop, by my labor, the gifts that I have received from Almighty God.

To work with order, peace, moderation, and patience, without ever shrinking from weariness and difficulties; to work above all with a pure intention and with detachment from self, having always before my eyes the hour of death and the accounting which I must then render of time ill-spent, of talents unemployed, of good undone, and of my empty pride in success, which is so fatal to the work of God.

All for Jesus, all through Mary, all in imitation of thee, O Patriarch Joseph!

This shall be my motto in life and in death. Amen.

The hands that make a difference

are the hands of the volunteers from our Parish who cleaned every nook and corner of our beloved church and church grounds on February 27th.

How can we thank God enough for you, and all you do with ever-increasing dedication and enthusiasm.

I would like to personally thank you for the gift of your time, energy and enthusiastic support.

Fr. Moacir

¿Cuál es la posición oficial de la Iglesia con respecto a la penitencia y la abstinencia de carne durante la Cuaresma?

En 1966, el Papa Pablo VI reorganizó la práctica de la penitencia pública de la Iglesia en su "Constitución Apostólica sobre la Penitencia".

La revisión de 1983 del Código de Derecho Canónico incorporó los cambios hechos por el Papa Pablo VI. Poco tiempo después, los obispos estadounidenses aplicaron los requisitos canónicos a la práctica de la penitencia pública en nuestro país.

En resumen, los católicos entre 18 y 59 años están obligados a ayunar el Miércoles de Ceniza y el Viernes Santo. Además, todos los católicos de 14 años en adelante deben abstenerse de comer carne el Miércoles de Ceniza, Viernes Santo y todos los viernes de Cuaresma.

Ayunar, como lo explican los obispos de los Estados Unidos, significa participar de una sola comida completa. Se permite algo de comida (que no equivale a otra comida completa) en el desayuno y alrededor del mediodía o por la noche, dependiendo de cuándo una persona elija comer la comida principal o completa.

La abstinencia prohíbe el uso de carne, pero no de huevos, productos lácteos o condimentos hechos de grasa animal.

Excepción del ayuno cuaresmal

Además de los que están fuera de los límites de edad, los enfermos con capacidad limitada, los débiles, las mujeres embarazadas o en período de lactancia que necesiten de carne o alimento. Y los trabajadores manuales.

Qual é a posição oficial da Igreja em relação à penitência e abstinência de carne durante a Quaresma?

Em 1966, o Papa Paulo VI reorganizou a prática da penitência pública da Igreja em sua "Constituição Apostólica sobre a Penitência".

A revisão de 1983 do Código de Direito Canônico incorporou as mudanças feitas pelo Papa Paulo VI. Pouco depois, os bispos americanos aplicaram os requisitos canônicos à prática da penitência pública em nosso país.

Resumindo, os católicos com idades entre 18 e 59 anos devem jejuar na quarta-feira de cinzas e na sexta-feira santa. Além disso, todos os católicos com 14 anos ou mais devem abster-se de carne na quarta-feira de cinzas, sexta-feira santa e todas as sextas-feiras na quaresma.

Jejuar, como explicam os bispos dos Estados Unidos, significa participar de uma única refeição completa. Alguns alimentos (não equivalentes a outra refeição completa) são permitidos no café da manhã e por volta do meio-dia ou à noite, dependendo de quando a pessoa opta por comer a refeição principal ou completa.

A abstinência proíbe o uso de carne, mas não de ovos, laticínios ou condimentos feitos de gordura animal.

Gozan da excepção para a quaresma os que estão no limite de idade, os doentes com capacidades limitadas, os enfermos, as grávidas e lactantes que necessitam de carne e alimentação e os trabalhadores manuais.
